

CRNS SEMINAR

‘Funding, Finance & Support Programmes for Circular Economy Projects’

Thursday 25 April 2019

Venue: Perth Subud Centre, 7 St Leonard’s Bank, Perth, PH2 8EB

This popular annual seminar will provide an opportunity to meet, hear from and speak to funders and providers of financial support to third sector organisations. It is an opportunity for charities and projects to discuss their ideas with potential funders, and to collect a range of information about possible sources of grant and loan funding and project support.

There will be plenty networking opportunities over refreshments and following lunch delegates will also have the opportunity to speak on a one-to-one basis with funders and CRNS staff.
