

# CRNS ANNUAL CONFERENCE & EXHIBITION 2019

‘Growing Your Impact, Telling Your Story’

Wednesday 13 November 2019  
Radisson BLU Hotel, Glasgow

**Sponsored by:**

## What is the CRNS CONFERENCE & EXHIBITION?

With our membership very much at the centre, this pivotal event encompasses a conference, an exhibitor showcase and a drinks reception. It brings together CRNS members from throughout Scotland, social enterprise senior leaders, politicians and supporters of the sector with the common goal of making Scotland a more circular economy.

## What happens on the day?

- Official opening by Scottish Government Minister
- Themed plenary session keynotes and breakouts
- Spotlight on CRNS Member sessions
- Opportunities to put questions to the Minister and speakers
- Vibrant Market Place with opportunities to share ideas and commercial opportunities
- Professional host, comedian Fred MacAulay
- Drinks reception for further networking

## Why should you attend?

This dedicated third sector event for Scotland's reuse, repair and recycling sector will enable you to engage with c120 other likeminded individuals. Meet CRNS members and the CRNS team; stakeholders; local government personnel; funders and private organisations operating within the sector. Hear from sector specific key figures and keep up to date with what is happening strategically in Scotland's resources sector.

## Thinking of Exhibiting?

Take advantage of a dedicated exhibitor spot within our vibrant 'Market Place' to showcase your products and services.

If you are looking to raise your organisation's profile, to obtain exposure, to increase business and supply opportunities and to network with like minded people and mutually beneficial organisations then this opportunity is for you. Footfall will be maximised with lunch and all breaks taking place in The Market Place.

"Well organised event with engaging speakers and fascinating workshops. Fantastic networking event for ideas sharing."

*Previous Sponsor*

"Excellent for networking, very good to hear from members in the final spotlight session"

*Event Delegate*

"Always a very useful event for our organisation as it allows us to have real, in depth conversations with organisations who are in need of business support"
